- ✓ Desktop browsers supported: Chrome, Firefox, Edge, Safari
- ✓ Mobile browsers supported: Safari Mobile, Chrome Mobile, Firefox Mobile

Benefits: Protection & Ease of Use

The **Vitrium Viewer** allows you to achieve the ideal balance between content protection and ease of use!

- ✓ Protect multiple file formats
- ✓ Keep complete control of your content
- ✓ Provide your users easy access anywhere
- ✓ Avoid the need for plug-ins or apps

About Vitrium

Vitrium delivers content protection and digital rights management (DRM) software to companies that need to protect their videos, documents, images, and audio files.

With over a million end users worldwide and a range of solutions that empower businesses to protect, control, and distribute their content in different ways, Vitrium is the preeminent choice for businesses, government, educational institutions, and content providers across the globe.

Vitrium was the first DRM provider to focus on a “no plug-in, no proprietary apps” approach and this is still the #1 reason why customers choose Vitrium over other solutions.

Protect Your Content. Protect Your Business.
